DURHAM, N.C. – Aug. 6, 2015 - Zoetis Inc. today announced that it has completed the acquisition of KL Products, Inc., a leader in automation systems for the poultry industry headquartered in London, Ontario, Canada. Terms of the transaction were not disclosed.

“The acquisition enables Zoetis to provide the highly integrated global poultry industry with full automation solutions for hatchery operations,” said Steven Clarken, Vice President and General Manager, Global BioDevices at Zoetis. “We will be well-positioned to deliver tailored solutions that tightly link use of our category leading Embrex® in ovo vaccine delivery systems with broader automation technology across hatchery operations. It exemplifies our commitment to be the preferred animal health partner to the poultry industry.”
